I just purchased your book today and I can't put it down. I planned on giving this copy to my mom for Mother's Day, however; I might need to buy her another copy as I now want to keep this one!! TC

We just want to thank you for your book, *Inspirations from the Everyday*. We read it as part of our morning devotions and have just finished it. We were so blessed! Thank you for sharing your thoughts with us and many others. Your words were so encouraging and touched us just where we are at in our own lives. There were a few that brought tears because they hit “so close to home”. Thanks. G & A
